3J Microwave

3J Microwave offers millimeter wave components 2-170 GHz in 10 Waveguide Bends Amplifiers, Detectors, Oscillators, Multipliers, Noise Sources, Straights, Bends, Twists, Termination Loads, Receivers, Couplers, Tees, Power Dividers, Gain Horn Antennas, Phase Shifters, Adapters, Filters, Ferrite, Switches, Noise Figure Analyzer, Scalar Network Analyzer, Vector Network Analyzer, Spectrum Analyzer, Transmitters and Transceivers.

Advanced Switch Technology

AST offers Waveguide & Coaxial Switches & custom Switches for Telecom Industry.

Daisy RS

Daisy RS offers portable Power Meters from 10 MHz - 26.5 GHz.

Deewave

Deewave offers low cost ferrite components to 40 GHz & Waveguide to Coax Adapters Coax Isolators / Circulators (Single & Dual Junction), Drop in & Waveguide, Waveguide to Coax Adapter & Gaskets.

Elmika

Elmika offers Millimeter wave components up to 500 GHz Signal / Sweep Generators, Network / Vector Analyzer, Converters, Attenuators, Bends, Twists, Straights, Tees, Loads, Detectors & Calorimetric Power Meters.

HD Microwave

HD Microwave offers a wide range of low cost Waveguide Components from WR2-WR2300 Antennas, Bends, Straights, Twists, Flexible Waveguide, Loads, Adapters, Couplers, Diplexer, Attenuators, Phase Shifters, Tees, Power Dividers, Rotary Joints, Filters, Shorts, Isolators / Circulators, Shims, Coax Attenuators & Terminations.

Keylink Microwave

Keylink Microwave offers low cost Power Amplifier & Rack mount Amplifier up to 18 GHz and up to 2KW Power, Limiter, Equalizer, LNA's, Power Divider, Mixer, Switches, Frequency Converters, Synthesizers up to 42 GHz, Limiting Amplifiers.

microRF

microRF Europe offers the full product range of AtlanTecRF Satcom Equipment, Noise Generators, Oscillators, Sources, active components, passive components, control components, cable assemblies, Waveguide components.

Microot

Microot offers low cost coax components up to 50 GHz Power Dividers, Couplers, Hybrids, Filters, Amplifiers, Noise Sources, Switches.

Neditek

Neditek offers a wide range of MMIC's up to 50 GHz, Transistors & Diodes up to 100 GHz, Saw Filter / Resonator, Schottky Diodes, System Level Modules up to 40 GHz Isolator & Circulators.

Norsat

Norsat offers LNBS, LNAs, BDCs, BUCs, Bandpass Filters & Microwave Components for Satcom application.

Panda Microwave

Panda Microwave offers low cost broadband microwave components up to 67 GHz Power Dividers, Couplers, Hybrids, Filters, Amplifiers, , Switches , sub-systems up to 40 GHz, DRO's & PLDRO's.

Saluki Tech

Saluki Tech offers Signal Generators, Spectrum Analyzers, Network Analyzers up to 67 GHz, Extension Modules up to 500 GHz, Test Cable Assemblies up to 110 GHz, Oscilloscopes, Handheld Test Equipment.

SHX

SHX offers low cost Attenuators & Terminations to 40 GHz and 10KW Power, Limiter, DC-Blocks, Power Divider, Coupler and Hybrids, Switches, Cable Assemblies, Phase Shifter, Bias Tees, Detectors, Resistors, Power Meter.

Signal Core

Signal Core offers up and down converter up to 9GHz, Signal Synthesizer up to 20 GHz, SMT Synthesizer to 6 GHz.

Taylor Microwave

Taylor Microwave offers low cost components up to 40 GHz Power Dividers, Couplers, Hybrids, Solid State Attenuators, Digital & Analog Phase Shifter, Pin Diode Switches, DRO's, Bias Tees, Duplexer.

Vaunix

Vaunix offers USB Components up to 20 GHz, USB Signal Generators, USB Digital Attenuators, USB Phase Shifter and USB Switches.

Wenteq

Wenteq offers low cost Amplifier to 50 GHz, Ferrite Components, Attenuators & Terminations, Waveguide Components, Connectors and cable assemblies.

Wright Tech

Wright Tech offers Amplifiers up to 96 GHz, Multipliers, Mixer, Up/Down Converters.

XMA

XMA offers Attenuators and Terminations up to 50 GHz, DC-Blocks, Couplers, Power Dividers, Equalizer and Cryogenic Attenuators.
