

Your supplier for RF/microwave components

Cable Assemblies up to 110 GHz

We offer a wide range of different RF/microwave cable assemblies up to 110 GHz frequency range

High Performance Test Cable Assemblies to 110 GHz

Semi Rigid Cables up to 110 GHz

Economical Test Cable Assemblies to 18 GHz

Ultra-Flexible Test Cable Assemblies to 26.5 GHz

VNA Test Cable Assemblies to 67 GHz

Ultra Low Loss & Phase Stable, Flexible Cables to 110 GHz

Stable Loss, VSWR, Phase vs Flexing, Flexible Cables to 8GHz

Ultra-Flexible Cables to 40 GHz

Low Loss, Flexible Cables to 18 GHz

High Weatherability, Low Loss, Flexible Cables to 18 GHz

Low Loss Wireless Communication Cables to 5.8 GHz

Flexible, Alternative to Semirigid Cables to 40 GHz

Low VSWR and PIM, Semirigid Cables to 40 GHz

Hand Formable, Semiflex Cables to 40 GHz
